

Croston Old School offers a perfect venue, combining an atmospheric countryside location with modern facilities.

From executive meetings and conferences, to corporate events and team building activities, Croston Old School can provide a haven of peace and tranquility that opens minds and inspires new thinking by allowing complete escapism from the daily grind.

Our surroundings are idyllic and make the location feel a million miles away from it all, nevertheless Croston Old School is still within easy access of M6 making it a convenient venue for delegates from across the North West.

Whilst here why not make the most of our location in the heart of Croston village, within the wonderful award winning grounds of St. Michael & All Angels Church, which can provide an excellent backdrop and break away when needed.

Once we understand your date and timing requirements, our team will open up your selected room and leave you to concentrate entirely on your meeting or event.
